

DDIN[®]

TRANSMISSION POLE CANT HOOK

The DDIN Transmission Pole Cant Hook with 30' Nylon Strap comes equipped with a 1-1/2" diameter handle. The lightweight aluminum head and the rubber textured "V" face offer a superior grip that is designed to minimize any slippage while operating. The Transmission Pole Cant Hook provides linemen with the extra torque and easy feel needed to get the job done efficiently and effectively.

- Lightweight aluminum head
- Textured rubber V-face to minimize slip
- Equipped with a 30' nylon strap

PART #	HANDLE	LENGTH	WEIGHT
