

TALLMAN BOAGRIP RIGGING SLING

EQUIPMENT CO., INC.

When the BoaGrip rigging sling is slipped around a pole and pulled taught, these SuperStick™ grippers are forced onto the pole's surface; more force produces an even tighter grip. And the unique "squeezing" action saves time and manpower, because now crews can simply pick a spot anywhere above the "tipping point", rig the sling, and be ready to lift.

BOAGRIP

PART #	WORKING LENGTH	RATED CAPACITY
BG1900-12-54	54"	1,900 lbs.
BG1900-15-72	72"	1,900 lbs.
BG2900-15-72	72"	2,900 lbs.
