

DDIN[®]

CONDUCTOR TRIMMERS

DDIN Conductor Trimmers are used to quickly and accurately remove the aluminum stranding from around the steel core of ACSR, ACSS, and other types of conductor without harming the inner steel strands. Constructed of high strength aluminum alloy and operating like a tubing cutter, the PSC tools are strong, lightweight and easy to use.

- Quickly and accurately removes the aluminum stranding around the steel core of conductor, including ACSR & ACSS
- Lightweight and durable
- Made of aluminum alloy
- Operates like tubing cutter

TOOL KIT INCLUDES:

- One PSC-1HD cutting tool
- One extra axle screw
- One extra cutting wheel
- One case (holds 18 TE style bushings)

DNPSC-1HD

Made of an aluminum alloy, the new PSC-1HD is lightweight and durable. Used to quickly and accurately remove the aluminum stranding around the steel core of ACSR, ACSS and other types of conductor.

PART #	DESCRIPTION	DIMENSIONS	WEIGHT
PSC-1HD	Cable Trimmer, uses TE series bushings	9-1/2" x 3" x 1-1/2"	2.65 lbs.
