

V-STYLE CONDUCTOR & UNIVERSAL CONDUCTOR BRUSH

DDIN's new Handheld Conductor V Brush and Universal Conductor Brush are used for cleaning power lines from dirt and debris. The stainless steel bristles allow the cleanest connection possible, and eliminate rush deterioration.

- "V" brush can be used for all conductor cleaning requirements
- Choose the DDIN Universal Conductor Brush for The Gold Standard
- 2-Pack to replace both brushes for both the DDIN Conductor Brush and DDIN Universal Conductor Brush
