

TRANSMISSION POLE CANT HOOK

The DDIN Transmission Pole Cant Hook with 30' Nylon Strap comes equipped with a 1-1/2" diameter fiberglass or aluminum handle. The steel head and rubber textured "V" face offer a superior grip that is designed to minimize any slippage while operating. The Transmission Pole Cant Hook provides linemen with extra torque and easy feel needed to get the job done efficiently and effectively.

- Lightweight aluminum* or fiberglass handle
- Steel head
- Textured rubber V-face to minimize slip
- Equipped with 30' nylon strap

*Handle colors may vary

RUBBERIZED NON-SKID GRIP
